

CITYWIDE NEWS

THE TASTE OF FEDERAL WAY A SUCCESS

Congratulations to the Ehl and Kolibab families, the non-profits that benefit, the restaurants, sponsors, and all the volunteers that made Saturday's Taste of Federal Way at the Farmer's Market a success! Judge's #1 choice and the People's Choice was Swagg-N-Wagon Wings and Things benefiting Federal Way Knights Softball. #2, Poverty Bay Café, partnered with FUSION and #3, Black Bear Diner for FW Warriors Athletics. Highest tickets sales was Do the Right Thing, and Best Decorated Booth was Mama Stortini's. This event successfully supports nine non-profits, nine food establishments and the Farmer's Market!

MAYOR'S MEMO: A BUDGET FOR ALL OF US

Last week I presented my proposed budget for the next two years to the City Council at our most recent meeting. I am proud that my proposed budget is balanced and does not raise our taxes.

This balanced budget not only meets our priorities for safety and security of our residents and businesses, but it also assures the prioritization of City services while maintaining our City infrastructure and maintaining our City's long-term financial health. This is truly a budget for all of us!

This budget maintains our focus that public safety is the #1, #2, and #3 priority. This is evidenced by the addition of four new police officers, bringing our total to a historic high of 154 officers on the street!

The operating budget consists of our existing obligations to public safety, street maintenance, and the maintenance of our nationally recognized parks and facilities.

The capital budget includes the investment in what I call "one-hundred-year infrastructure." The approval of the Maintenance and Operations Facility, to be completed in early 2026, will benefit our community and our Parks and Public Works teams for many decades to come.

Both the operating and capital budgets propose significant accomplishments. Along with the Maintenance and Operation facility, we are able to absorb increases in jail costs and insurance costs, We are able to invest in an updated financial system, as well as upgrade our public safety communications system, enhanced body cameras, animal services, and the additional police officers and vehicles. This budget will also continue to address the arrival of light rail in the Spring 2026.

This isn't by accident. Our City leadership teams in all our departments have been instrumental in

building this balanced budget with creativity and efficiency.

Our Finance Department has maximized our investment income yields to meet the challenges of our economy. Our wise and strategic investment strategy has generated \$8 million in new revenues to the City without raising taxes. This has helped counter the current decrease in sales tax and Real Estate Excise Tax (REET) revenues.

In these uncertain times, we are able to navigate economic uncertainty and have done so in an impressive manner. We are committed to continuing to be a service delivery organization

Our wise and strategic investment strategy has generated \$8 million in new revenues to the City without raising taxes.

for our residents and businesses. This budget will retain the staffing needed to continue to serve our residents. Over my 11 years as Mayor we have never laid off a person due to fiscal drawbacks. More importantly, in order to remain competitive in the labor market,

our continuation of cost of living increases for our hard-working and dedicated employees who work for you will assist in retaining them and assist in the recruiting of the best city employees available. This is a budget that is thorough, comprehensive, and builds on a plan for future flexibility. It represents a great deal of work, leadership, collaboration, partnership and creativity by our staff. It also builds on our plan for future flexibility. It includes a comprehensive needs assessment and a waiting list to serve us in future budget adjustments.

This is the beginning of a community discussion. The Council has also begun the review of the budget at special study sessions which includes departmental presentations by staff. As residents you may review the proposed budget, our meeting schedule on the Finance section of our website.

I encourage you to participate in the process as we continue to be committed to "a budget for all of us."

HACHINOHE EXCHANGE STUDENT VISIT

Last week, students from our Sister City of Hachinohe visited City Hall. Many of our residents hosted them in their homes. Judge Larson and Chief Hwang gave them tours of the Municipal Court and Police Department before visiting Mayor Ferrell in the Mayor’s Office. “These Sister City exchanges are a very important bridge between our countries, and I look forward to a return Sister City visit to further enhance our relationship with Hachinohe and Japan,” the Mayor Ferrell told the students.

PAUL MITCHELL SCHOOL GRAND OPENING

Mayor Ferrell and City Council Members participated in the grand opening and ribbon cutting for the Paul Mitchell The School—Federal Way—a family company. Thanks to Director Mary Gabuat for hosting. Also in attending were Board Chairman John Paul DeJoria of John Paul Mitchell Systems and Winn Clayburgh, Dean of Paul Mitchell Schools, and the legendary Gene Juarez! Thank you to the Federal Way Chamber for facilitating.

CITYWIDE NEWS

KOREAN QUARTERLY MEETING

Since 1992, the Federal Way Korean Association's Quarterly Meeting has effectively been a way for the Korean Community to give feedback and City staff to give updates on current and future projects. Thanks to both City and community members who continued this tradition last week.

CITYWIDE NEWS

FINANCIAL LITERACY CLASSES RESUME

The Fall edition of the City sponsored Financial Literacy Program using the Ramsay Financial Peace curriculum began last week with a record 145 registrations. Welcoming the students was Councilmember Jack Dovey, who advocated for the program's existence. Also pictured is Melissa Vincent, the lead facilitator for this session. We are able to fit a few more students, and the program will run for nine weeks until November 21. Classes happen on Thursdays, 6:30pm-8:30pm at the Federal Way Community Center. Please call 253-835-2420 for information on registration.

AUTOMATIC PLATE READING TECHNOLOGY

The Automatic License Plate Reader (ALPR) is technology that allows for thousands of license plates to be scanned and processed for information using the onboard database.

This technology can assist in the recovery of stolen vehicles more quickly pinpointing dump sites and identifying areas of higher activity, as well as affect a higher arrest rate by identifying occupied stolen vehicles out on the roadway. The ALPR is one more tool to be used in the ongoing fight against auto theft.

The ALPR is a computerized system consisting of specialized digital cameras, a processor unit, and a laptop. The mobile camera system mounted on a police vehicle recognizes plates in real time. An ALPR reads a plate and compares it against a database of suspect vehicles, alerting the officer to any matches. It uses a large list of target vehicles stored locally in a “hot list” rather than relying on real-time communications with state or federal data sources. The list is typically transferred daily and can be updated by the operator or by central station if wireless communications are not available in the vehicle.

The hot list can contain any set of plate data, including watch lists as well as stolen vehicles. When a target plate is located, the officer in the vehicle is notified with a message that is specific to the plate. The officer compares the plate captured to the message and confirms the plate through the communications section prior to taking any enforcement action.

The ALPR systems used by the Federal Way Police Department capture images of license plates, recognizes number and letter images, then compares the images to the wanted vehicle list. License plate readers do not run license plates and do not collect personal data.

BOARD AND COMMISSIONS OPEN RECRUITMENT

<https://www.federalwaywa.gov/page/boards-commissions-recruitment>

OPEN RECRUITMENT

The City of Federal Way has numerous citizen boards and commission that offer valuable guidance to the Mayor and City Council on a wide variety of subjects that help inform the decision-making process. These advisory bodies bring together public viewpoints that might not otherwise be heard and offer an effective means of public participation in your local government.

If you are interested in contributing to the future of our community and sharing your expertise, we encourage you to [apply](#).

To view eligibility requirements and more information for each commission please review the [Boards and Commissions](#) overview page.

YOUTH COMMISSION

Current Openings: 4 Voting, 3 Alternate

The purpose of the youth commission shall be to afford an opportunity for youth to engage with and learn about local government; serve as an advisory body to the city council contributing a youth-focused perspective on policies, code, plans, proposals, and practices; and provide input to the city council, other city boards and commissions, and city staff on youth programs, recreational activities, and other issues of importance to youth.

PARKS & RECREATION COMMISSION

Current Openings: 2 Voting, 2 Alternate

The purpose of the parks and recreation commission is to work with city staff in an advisory capacity on matters pertaining to parks, open space, natural areas, trails, and recreational facilities and programs for the purpose of informing, advising, or recommending actions to the city council.

HUMAN SERVICES COMMISSION

Current Openings: 1 Voting, 2 Alternate

The commission shall serve in an advisory capacity to the city council and make recommendations on matters including, but not limited to, the planning and funding of behavioral health, community services, prevention services, and senior services.
