ALDERBROOK PARK RENAMED TO HONOR JOHN AND MARY CONNA

Last week, the Federal Way City Council unanimously passed a resolution endorsing Mayor Ferrell's proposal to rename Alderbrook Park to "Conna Park," in honor of John and Mary Conna. The Conna's were 19th Century pioneer landowners in what is now Federal Way and overcame significant challenges as African Americans to successfully run businesses, serve as the first Sergeant of Arms for the Washington State Legislature, and own land in what is now Federal Way. As Alderbrook Park is on the former Conna homestead, Mayor Ferrell reached out to their descendants, and the proposal to rename the park was well-received. The park will incorporate a memorial tribute that will honor their legacy and will educate and inspire future generations.

SOUND TRANSIT FEDERAL WAY LINK STRUCTURE "C" TOUR

Last week, Mayor Ferrell and staff toured what is known as Sound Transit Structure "C" which is an elevated long-span bridge and structure near the Midway Way landfill, in order to reach Federal Way near Star Lake. This is an amazing feat of engineering that is the lynchpin to deliver light rail to our downtown, parallel with Interstate 5 .

1ST ANNUAL PUMPKIN PLUNGE AT THE FEDERAL WAY COMMUNITY CENTER

Mayor Ferrell attended the first annual Pumpkin Plunge at the Federal Way Community Center. It is a new spin on visiting the pumpkin patch! This unique pumpkin-picking experience lets members swim in our pools and choose a floating pumpkin to take home. Thanks to Jake Pyatt and the team for coordinating!

OPEN DOORS PROGRAM VISITS CITY HALL

Last week, Mayor Ferrell spent time with students from the Federal Way Schools Open Doors Program, housed at the Truman Campus. It is a “big picture” learning school where students pursue their passions by pursuing interests in the community. He was asked to talk with the civics class to talk about basic government and how cities, counties, and state governments work together. Their questions were very insightful. Our future is bright!

GRAND KYIV BALLET AT THE PAEC

Last week, Mayor Ferrell welcomed the Grand Kyiv Ballet to the Federal Way PAEC where they performed “Don Quixote,” the classic novel, musical, and ballet. It reinforces the belief that we need to believe in our dreams and strive to make them happen for ourselves and others. This performance is the story of triumph over tyranny. Glory to the heroes. Glory to Ukraine! Slava Ukraini!

MSC HELPS LUNCHEON

The City of Federal Way is a proud sponsor of the Multi-Service Center (MSC) Helps Luncheon, which supports their mission to uplift communities by increasing equitable access to advocacy and opportunities. Keynote Speaker Erin Jones has been recognized locally and nationally for her work in education and equity, and her message was inspiring. Also, the Hope, Health and Change Award was given to business honoree Grocery Outlet for their support of fundraisers, and food donations directly to food banks like MSC.

POLICE CHIEF AWARDS CITIZEN FOR HEROIC CPR RESCUE

On September 12, 2024, the police department and fire department received a 911 call about an unconscious female in the Wal-Mart Parking lot. Officer Bracco responded to the call and saw Andrea Rodriguez performing CPR on the unconscious female. Officer Bracco and the fire department relieved Andrea and began first aid on the female. The patient was transported to St. Francis hospital, where she received advanced medical treatment. The medics on scene commented that the patient would not have survived to be transported to the hospital if Andrea had not performed CPR.

We recognize Andrea's heroic actions by awarding her a Police Chief's Citizen Citation. This award is given to citizens whose actions have demonstrated selfless behavior in an emergency or critical situation.

SEA-TAC AIRPORT EXPANSION 45 DAY PUBLIC COMMENT PERIOD BEGINS.

SAMP PUBLIC COMMENT PROCESS

The Puget Sound region is expected to grow by another one million people by 2035. The Sustainable Airport Master Plan (SAMP) is the blueprint for changes at Seattle-Tacoma International Airport (SEA) to meet future forecasted demand. SAMP identifies 31 Near-Term Projects (NTPs) that are intended to improve efficiency, safety, access to the airport, and support facilities for airlines and the airport. The NTPs, if approved, will be complete or under construction by 2032.

SAMP and the scoping process for the environmental review was completed in 2018. Currently, the **National Environmental Policy Act (NEPA) Environmental Assessment (EA) and 45-day public comment period** is underway for SEA's SAMP recommended 31 NTPs.

At the conclusion of the comment period on **December 5, 2024**, all comments received will be reviewed and taken into consideration by the FAA and the Port during the preparation of the final NEPA EA. Responses to comments will be included in the final EA.

Members of the public will be able to review information translated into six languages and submit comments throughout the comment period at any of the public meetings listed below, online, by email, or regular mail. The document will be available on the SAMP website, at the SEA Airport Conference Center, and at public libraries in Burien, Des Moines, Federal Way, south Seattle, SeaTac, and Tukwila.
